

MOBILE PHONE UNLOCKING REQUEST

PLEASE PRINT AND FILL IN THIS FORM

Send this form with your item/s to:

GSM Solutions,
6 & 7 Upper Abbey Street,
Dublin 1, Ireland.

How to send your item: When sending your item to us please ensure it is securely packaged to avoid any damage in transit, we also highly recommend when sending your item to us that you use a service that can be traced such as An Post registered post or a regular courier. We cannot be held responsible for items sent to us via normal post.

What happens when we receive your item: When received to our store, it will be assigned a reference number, then one of our technicians will contact you and confirm the cost. If the item cannot be unlocked for any reason then only return postage charges will apply. You can confirm the cost before you send your item by contacting us. We are open to the public 6 days a week.

Please note: All units are returned by insured courier, a signature will be required on delivery. The cost of return delivery for small items in Ireland is 8.00euro.

*Failure to include this form may result in a delay of processing your device.

***We only require the device - no accessories, chargers, memory/sim cards, cables, boxes etc unless requested or directly related to the fault. Additional weight or size will result in additional shipping costs.**

PLEASE WRITE CLEARLY IN BLOCK CAPITALS

Total Payment Enclosed:

If you prefer to pay by debit or credit card or other method please tick this box below and someone will contact you when your item is ready to be returned to you. Please make all payments payable to GSM Solutions.

Yes, I will pay via debit / credit card or other method when my item is ready to be sent back.

Referred from? Please let us know where you have been referred from, i.e. Vodafone shop, Apple, misc website etc. (We offer discounts when you have been referred from various companies or other specific websites)

Additional Details: if any

Terms & Conditions Acceptance Declaration

The customer is responsible for backing up any data content prior to repair/service. We will not be held responsible for loss of data from our repair process. We do not delete customer data as standard but it may happen during the repair process. Packaging, SIM cards, memory cards & accessories are not required unless requested or directly related to the fault. Items not collected/shipped within two months will be disposed. By sending my device for service I imply that I'm the legal owner or have the permission of the legal owner to do so. This is in addition to, and does not affect your statutory rights.

I declare that the information given on this form is complete and accurate. I agree to accept GSM Solutions Conditions of Sale and Purchase and customer policy.
